REX

Petali preziosi ed elaborati che grazie all'utilizzo della tecnica della "rugiada" sembrano dei merletti fatti a mano. Lampade spesso scelte all'inizio del '900 per grandi progetti di navi da crociera e alberghi di lusso sono ancora oggi dei pezzi unici capaci di donare un tocco retrò anche a progetti più contemporanei.

Precious and elaborated petals that thanks to the "rugiada" technique seem handmade laces. These lamps were very common at the beginning of the 20th century in big cruises and luxury hotels projects but nowadays they are still unique pieces capable to give a retrò touch also to more contemporary projects.
