ERCOLE

Ispirata a un'idea originale di Ercole Barovier risalente agli anni '40 del Novecento e realizzata con l'allora innovativa tecnica del "rostrato", Ercole è una collezione caratterizzata da un ricco effetto di luce che le conferisce preziosità e ricchezza.

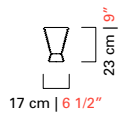

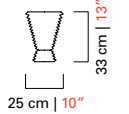

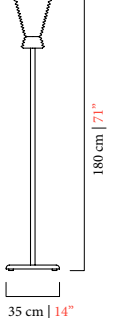

Inspired by an original idea by Ercole Barovier in the 1940s and created using the "rostrato" technique he had just invented, Ercole is a collection whose radiance produces a uniquely precious effect.
